

*“Lift up
your eyes,
and look on
the fields;
for they are
white already
to harvest.”*

John 4:35

Connecting the Church here
with the needs there...

personally.

Our Purpose

The purpose of World Bridge Ministries is to act as a mobilizing force in the evangelization of the world by leading local churches into a higher fulfillment of the Great Commission.

We accomplish this through working with pastors and churches desiring more involvement in world missions, and then through discipleship, training, equipping and mobilization, assisting them as they lead their congregation into a more effective involvement in world missions.

Project Build
OUTREACH

For all our words, pictures and stories...

perhaps nothing has
the impact of a

*personal
experience.*

Project Build Outreach (PBO) is a ministry born of this realization. Specifically, PBO is a short term (two week), cross cultural missions trip to assist missionaries on the field with construction related projects. The projects are designed to include anyone at any skill level. The trips include off-site excursions to expose participants to the people, land, culture, and needs (both physical and spiritual) of the surrounding area. Where possible, the team will also join with local believers for worship.

The impact of PBO trips on participating churches is often staggering. The sharing of God's heart for the world becomes a grass roots phenomena rather than a trickle down goal. God's love for other people in other places becomes inextricably implanted in human hearts and minds.

The after effects of PBO trips usually include increased awareness, sensitivity, and giving to world missions. And the much increased likelihood that your ministry abroad might someday include members (or more members) of your own church serving God full time on foreign shores. Through specific prayer, giving, food and tool donations, child care (for the participants with children), and fill-in substitutions (for teachers and others with church responsibilities), **all non-going members of the church are included** in the **total team** project. Some churches have found this to be the most unifying, all encompassing project that they have been involved with.

Through PBO, World Bridge Ministries can help your church **build both relationships and buildings** for the advancement of the gospel in the far corners of the world.

A New Door of Opportunity

The gospel's impact is accelerating at more than 60,000 new people a day putting their faith and trust in Jesus Christ and 1,600 new congregations are being formed every week. This **new growth** has brought about an abundance of construction needs thus a whole new door of opportunity has opened.

Meet the Challenge

World Bridge Ministries is committed to helping your church fulfill Christ's Great Commission to **"go and make disciples of all nations"** by **becoming personally involved** in world missions. Our goal is to work together with the pastor and his entire congregation to plan and participate in a **"hands on"** project ministry. Personal cross cultural involvement on the mission field will give you the opportunity to broaden your vision and strengthen your commitment to world evangelization.

It takes...

Total Church Involvement!

God Blesses Obedience

The ministry of PBO became a reality as a local church sought to meet the needs of their missionaries. The Lord blessed their obedience.

You too can know God's blessing as you meet existing needs and are an encouragement to missionaries. Through this ministry **you will become a vital part of what God is doing world wide.**

Project Build Outreach

Since 1978 PBO has been actively involving laymen in **"hands on"** project ministries. Today the need has expanded. In an effort to meet that need PBO has been formed as a ministry of World Bridge Ministries. Together we are committed to assist the local church in meeting the challenge of world evangelization.

Building, An Opportunity

We at World Bridge Ministries are ready to assist you in making world missions come alive for you and your church. You can become involved in this exciting ministry by contacting us today.
